

## ***Hello friends, family and supporters!***

From the coldest depths of winter, we would like to thank you for your ongoing support, and warm you up with some news of the fun things we've been doing lately!

### ***Wellness Workshops at Nelson House***

We are pleased to announce the successful conclusion of our fall workshop series with Nelson House.

It was an opportunity for the Nelson House team to relax and connect, and WIN would like to share our gratitude for the chance to spend time working with a group of women dedicated to supporting vulnerable women in Ottawa.

WIN will be returning to Nelson House for two follow up sessions in the spring. We look forward to meeting with them again soon!

### ***Electronics/Cellphone Recycles Fundraiser***

We are pleased to announce the launch of a fundraiser which Recycles donated cellphones, laptops, tablets, and virtually anything electronic and turns them into cash for WIN.

We've partnered with two Barrhaven schools, St. Francis Xavier High School and St. Joseph High School to collect recycled items from

their student populations. Parents and students at those two schools are invited to drop off cellphones and electronic goods.

Not at one of those schools? We'd like your donations too! Contact us today at 613-612-5476 to arrange for a pickup/drop-off or to receive a donation box for your workplace or community organization.

## ***Trivia Night at Rosie's on Bank***

On January 28<sup>th</sup> we gathered for a night of fun, laughter, trivia questions, amazing food and amazing prizes,

A big "Thank You" to Rosie's on Bank who graciously offered up their space for the event. Thanks also to quizmaster Gordon Smith who kept us guessing with his

clever questions and musical cues.

Finally, thank you to all who supported us!

### ***Gold Canyon for Winter***

Keeping candles burning bright is one way of

warding off the winter chill! Are you running low on candles? Gold Canyon candles and accessories will keep your home warm and welcoming!
